

ONE BOAT. ONE OCEAN. FO4R WOMEN.

Doris is coming to Marlow!

On Saturday 24th January 2015, the Coxless Crew are bringing their boat to Marlow and invite you to come and meet her.

With less than 100 days to go before we start our 8,446mile row from San Francisco to Australia, we are bringing our boat Doris to Marlow, home of crew member Emma and one of our ambassadors, the great Sir Steve Redgrave.

We will be based in Higginson Park and will be taking some lucky prize winners for a row as well as giving you an opportunity to see what life aboard Doris will be like.

Please contact us on info@coxlesscrew.com
